La gamme Solar Gard®; Sentinel(TM) Plus OSW de Solar Gard est constituée des films pour application extérieure de protection maximale contre la chaleur. Ils sont le premier rempart de défense contre les niveaux élevés de chaleur, de reflets ...

Khoumaguéli will be Guinea's first grid-connected solar PV power project. As one of Guinea's earliest renewable IPP initiatives, the Khoumaguéli project has used grant funding from PIDG's Technical Assistance (TA) to support work to build government capacity to undertake future renewable energy projects with the private sector.

But as a result of its government's openness and willingness to reform, Guinea has secured its first bankable solar-power investment. This is a major energy milestone that is likely to lead to the construction of the country's ...
