1. This Guidance Note (GN) sets out the Bermuda Monetary Authority's (the Authority) expectations for the provision of formal professional opinions that are required on the insurance Technical Provision (TP) elements of the Economic Balance Sheet (EBS). 2. The scope of this GN includes the EBS actuarial opinion requirements for all

Bermuda domiciled insurers to conduct business in the EU on a level playing field as EU domiciled insurers. The BMA is keen t o sustain and continue to develop its risk -based regulatory approach that both (a) meets or exceeds international standards and (b) appropriately reflects the nat ure of the Bermuda market.

o Bermuda regulatory capital requirements (using BSCR or approved internal model) o Run-off of the insurance liabilities discounted using risk-free discount curve o Insurance risk, counterparty risk, and operational risk o Calculation of the technical provision is ...
