

Where are the Cayman Islands located?

The Cayman Islands (/ˈkeɪmən /) is a self-governing British Overseas Territory, and the largest by population. The 264-square-kilometre (102-square-mile) territory comprises the three islands of Grand Cayman, Cayman Brac and Little Cayman, which are located south of Cuba and north-east of Honduras, between Jamaica and Mexico's Yucatán Peninsula.

Who is responsible for defending the Cayman Islands?

The defence of the Cayman Islands is the responsibility of the United Kingdom. The Royal Navy maintains a ship on permanent station in the Caribbean (HMS Medway (P223)) and, from time-to-time, the Royal Navy or Royal Fleet Auxiliary may deploy another ship as a part of Atlantic Patrol (NORTH) tasking.

What makes the Cayman Islands so safe?

Safety in the Cayman Islands is one of its best features. The Cayman Islands have a very low crime rate and are considered to be among the safest in the Caribbean. The Caribbean paradise is an incredibly safe place for families and individuals alike. But what makes it so secure? Several factors play into safety on these islands.

What is Cayman known for?

On the bright side, Cayman is known for being a laid-back, secluded vacation spot- unlike other islands like the Bahamas and Aruba, known for their night-long parties and crowds. The Cayman Islands are a small archipelago located in the western Caribbean Sea, west of Jamaica and the Dominican Republic.

What makes the Cayman Islands unique?

The Cayman Islands is a truly unique destination, boasting an incredibly diverse culture. Residents from over 130 countries make up the island's workforce and have chosen to call them home. They each bring their own customs and values with them, creating an island melting pot!
