

Is there a fuel shortage in the Cocos Keeling Islands?

Viva Energy is responsible for the delivery of fuel to Cocos Keeling Islands, Australia's most remote community, and an unfortunate series of events late last year has led to a shortage of premium unleaded fuel on the islands. Viva Energy has been actively working on alternative supply solutions.

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.
