

Big Sky Wind will be acquired by Vitol affiliate Vitol Wind I LLC. The acquisition will be the company's first large US wind generating asset and adds to its growing renewables portfolio, in the US and globally. Vitol will invest over \$250 million, in addition to the purchase price, to ensure Big Sky Wind benefits from market leading technology.

A wet day is one with at least 0.04 inches of liquid or liquid-equivalent precipitation. The chance of wet days in Kiribati varies throughout the year. The wetter season lasts 3.9 months, from February 14 to June 12, with a greater than 20% chance of a given day being a wet day. The month with the most wet days in Kiribati is April, with an average of 9.4 ...
