

Maxpower inc Cayman Islands

Additional solar farms and possibly wind farms in the Cayman Islands would lessen our dependency on fossil fuels and decrease the millions we spend on importing diesel fuel each year. CUC's Integrated Resource Plan (IRP), approved in early 2019, calls for new technologies to be introduced, including significant amounts of solar and wind power

Firstly, you can book by the container load, secondly, your belongings can be consolidated with other packages, in what's known as Less than Container Load (LCL) and thirdly, there is the small packages service, which is particularly useful if you're buying items online from vendors that won't ship to Cayman.
