How many generating companies did Drax Power Station have?

Three generating companies and 12 regional electricity companies were created. As a result of privatisation, Drax Power Station came under the ownership of National Power, one of the newly formed generating companies. Over the years that followed privatisation, the map of the industry changed dramatically.

Is Drax scrapping Europe's largest gas plant after climate protests?

Energy Live News. 30 July 2019. Retrieved 26 January 2021. ^ Ambrose, Jillian (25 February 2021). "Drax scraps plan for Europe's largest gas plant after climate protests". The Guardian. ^ "BBC Panorama: The Green Energy Scandal Exposed". BBC Panorama. 3 October 2022. Retrieved 4 October 2022.

How does Drax support small scale generators?

Drax supports over 2,300 small scale generators, buying renewable power including hydro, wind, solar and anaerobic digestion through Power Purchase Agreements (PPAs). Drax also allows large businesses to create bespoke renewable power contracts with its large hydro generators through Corporate Power Purchase Agreements (CPPAs).

Did Drax buy Opus Energy?

In 2016, Drax Group acquired Opus Energy for £340 million funded by a new acquisition debt facility of up to £375 million. In October 2017, Drax sold Billington Bioenergy for £2 million to an AIM-listed energy company called Aggregated Micro Power Holdings.

What is Drax Group's key asset?

Drax Group's key asset is Drax Power Station. Originally built, owned and operated by the Central Electricity Generating Board (CEGB), Drax Power Station was constructed and commissioned in two stages. Stage one (units 1, 2 and 3) was completed in 1974.

Why did Drax push back the start of new gas-fired power stations?

In November 2024, Drax Group Plc pushed back the start of three new gas-fired power stations in South Wales, Suffolk, and Bedfordshire to next year because of delays in getting the units connected to the grid. Drax had previously stated that the facilities would start in Autumn 2024. Drax Group's key asset is Drax Power Station.
