

Phocos solar Christmas Island

Who manufactures Phocos solar panels?

Phocos manufactures products for off-grid and hybrid solar applications worldwide. Their product range spans everything from charge controllers, inverters to DC appliances. Founded in 2000 in Ulm, Germany.

Is Phocos a hybrid solar inverter?

Phocos launched the Any-Grid(TM) Hybrid Inverter Charger Series in 2019 for use in off-grid, on-grid, and hybrid solar systems. This makes Phocos a manufacturer of hybrid solar inverters.

Why do solar equipment distributors trust Phocos?

Talk to the experts! Solar equipment distributors trust Phocos for quality solar products and competitive pricing to protect reputations and retain customers. Call us today!

How much does a Phocos Inverter cost?

Phocos inverters are more expensive than a Must inverter (\$650), a Growatt inverter (\$850), and a Mecer inverter (\$800). Phocos inverters cost more than these options, with the only local inverter costing more being a Victron (\$2,050). Phocos is a quality product, engineered and manufactured in Asia.

What makes Phocos a good distributor?

Distribute Reliability. Distribute Phocos. To be a successful distributor, the bottom line is based on the ability to service customers. That is why selecting a strong manufacturing partner is important. Avoiding problems, and proactively working on the next sale is where we want to focus our attention.
