Who owns pylontech Europe?

It's jointly owned by Pylon Technologies Europe Holding B.V. ("Pylontech EU"), a company incorporated under Dutch law wholly owned by Pylontech, and Energy S.p.A. ("Energy"), who have been in cooperation for ten years with shared commitments to promote renewable energy and decarbonization initiatives.

Who is pylontech?

For more information, please review our Cookie Policy. Pylontech is the world's leading battery energy storage system supplier. Pylontech offers products and solutions for all scenarios, including residential, utility, C&I and so on. Pylon Technologies Co., Ltd.

Why did pylontech choose Veneto?

"It's an important step for Pylontech to set localized production as our partners especially in Europe are eager to have more secured and stable supply chain." Said Geoffrey Song, vice president of Pylontech, "We picked up Veneto as the starting place which enjoys both long time wisdom from Galilei and fresh friendship from Energy."

The US2000C is a 48V battery storage system provided by Pylontech, developed with their own lithium iron phosphate cell to ensure the highest safety, value and most promising life cycle. A self designed BMS protects the cell from abnormal ...
