Sencillo: montaje de módulos simplificado. Un ejemplo excelente de nuestra experiencia en el ámbito de los sistemas de montaje FV son los sistemas de carriles cortos Renusol MS+: hasta que Renusol los introdujo en el mercado, para las estructuras solares se fabricaban complejas piezas de chapa que fijaban los sistemas a perfiles de chapa trapezoidales.

About Renusol Their story . Renusol are a leading manufacturer of solar panels worldwide and are led by the motto "Solid, Simple Service". Renusol's commitment to developing versatile, innovative products have led them to worldwide success, offering unique, easy-to-install products to suit a wide range of applications and uses.
