

Solarspace technology co ltd Timor-Leste

What does SolarSpace do?

SolarSpace focuses on the development and manufacturing of solar cell. With industry-leading technology and competitive manufacture capability SolarSpace rapidly increases production capacity and continuously provides the high efficiency and high quality cell products for customers. Global Leader!

Why should you choose SolarSpace?

Based on leading technical, high-quality guaranteed supply chain and intelligent manufacturing managements, SolarSpace provides more efficient and more reliable solar module products worldwide. SolarSpace focuses on the development and manufacturing of solar cell.

Why did SolarSpace change its website domain?

In line with our company's business development needs and our commitment to providing more efficient and high-quality services, SolarSpace Technology Co., Ltd.'s has changed its official website domain from solarspacepower.com to solarspace.com. Please feel free to visit and bookmark it.

SolarSpace Technology Co., Ltd. was established in 2010, as a world leading solar cell and module manufacturer, concentrating on high efficient solar-technology production with 30GW+ capacity of solar cell and 6GW capacity of solar module in China and overseas. *Please refer to SolarSpace for details SS8-72HD Bifacial Dual Glass Module

Established in 2011, SolarSpace is a leading solar cells and modules manufacturer, specializing in high-efficiency solar technology both in China and abroad. As one of the top 3 solar cell manufacturers worldwide, we pride ourselves on delivering high-quality solar modules powered by our innovative core cell technology. SolarSpace remains dedicated to pioneering solar ...

According to the certificate of incorporation, company report, financial statement, and ownership structure, SOLARSPACE TECHNOLOGY CO., LTD., registered under Business ID, is located at No. 29, Gaxin Road, Xuzhou Economic and Technological Development Zone, China. Founded on 11 Jan 2011, the company specializes in manufacture of other electrical ...

September 24, 2023, PV cell and module manufacturer SolarSpace has announced the launch of its first phase production of 5GW high-efficiency PV cells factory in Laos. The Ceremony was grandly held in the Saysettha Development Zone, Laos. The production line of Laos base adopts the most advanced equipment such as AGV intelligent handling equipment and [...]
