

Is the Gambia a low-income country?

The Gambia is the smallest country within mainland Africa. It is a low-income country but its economy had been growing until the COVID-19 pandemic which led massive job losses due to the shut-down of the tourism sector.

Why is the Gambia a 'back way'?

According to the IOM, between 2014 and 2018, over 35,000 Gambians arrived in Europe along irregular routes through Niger and Libya, a phenomenon popular in The Gambia as the "back way". This policy brief takes The Gambia as a focus for several reasons.

Why is the Gambia so important?

This policy brief takes The Gambia as a focus for several reasons. Chiefly, surrounded on the three sides by Senegal, The Gambia lies at the mouth of the Atlantic Ocean within porous borders making it a strategic location for migrant smugglers and human traffickers.

Why are European-funded information campaigns being implemented in the Gambia?

As a call for action, European-funded information campaigns are being implemented in The Gambia as part of a wider policy measure with the main aim at controlling and managing irregular migration.

Is the Gambia a net emigration country?

Though the Gambia became a net emigration country in the late 1990s, historically it used to be a net receiver of migration. According to the UN, an estimated 215,406 people (9.4% of the population) living in the Gambia in mid-2019 were born elsewhere.

Why is the Gambia a small country?

The Gambia is a small country in western Africa, and with the exception of a small coastline, completely enclosed by Senegal. It has a long history of migration and mobility, not least due to its geographical position, its small size and the various ethnic groups that live there.
