

Tongwei 480 photovoltaic panels

How big is Tongwei solar?

Tongwei Solar's annual production capacity is reported to be 70GW for solar cells and 14GW for solar panels, which makes it one of the bigger players in the solar panel manufacturing market. Tongwei Solar has yet to establish a local office in Australia to support its Australian customers.

Who makes Tongwei solar panels?

Tongwei is also a major employer, boasting more than 60,000 employees worldwide. While the company supplies panels for the Australian market, it is yet to establish a physical office here. Tongwei Solar panels are imported into Australia by wholesalers Blue Sun Group, Supply Partners, One Stop Warehouse and Krannich Solar.

Does Tongwei solar have a local office in Australia?

Tongwei Solar has yet to establish a local office in Australia to support its Australian customers. That means the company relies on local distributors like One Stop Warehouse to support their customers' warranty claims. What is a Bloomberg Tier 1 Solar Panel? Bloomberg's infamous tier 1 ranking is NOT a measure of Solar Panel quality in any way.

How long do Tongwei solar panels last?

The 25-year performance warranty for most of their panels is on par with most other manufacturers. The single-glass Tongwei solar panels are guaranteed to produce at least 98% of rated performance in the first year and an annual power degradation of no more than 0.55% in the following 24 years.

What does Tongwei produce?

Tongwei produces polysilicon, cells and solar panels. It supplies cells to many of the world's leading panel manufacturers. As at September 2024, the firm had an annual polysilicon production capacity of 650,000 tons, annual solar cell production capacity of more than 95GW, and an annual module production capacity of 75GW.

What is the quality of Tong-Wei solar cells?

At present, the quality of Tong-wei's solar cells are first class, with technical indicators reaching the top level in the world. The company has become the No.1 manufacturer in the global cell industry with the largest capacity and shipment, the lowest cost, the highest operating rate and the fastest construction speed.

Tongwei Solar si è profondamente impegnata nella ricerca e sviluppo, nella produzione e nella promozione di prodotti di generazione di energia solare di base ed è diventata il più grande produttore mondiale di celle solari in silicio ...
